

AECOM is built to deliver a better world. We design, build, finance and operate infrastructure assets for governments, businesses and organizations. As a fully integrated firm, we connect knowledge and experience across our global network of experts to help clients solve their most complex challenges. From high-performance buildings and infrastructure, to resilient communities and environments, to stable and secure nations, our work is transformative, differentiated and vital. A Fortune 500 firm, AECOM had revenue of approximately \$20.2 billion during fiscal year 2018. See how we deliver what others can only imagine at aecom.com and [@AECOM](https://www.instagram.com/AECOM). We help shape the world around us — from high-rise buildings to educational, cultural, research and transportation facilities. Our design process is based on energy-efficient building systems, and an appropriate selection of materials and form to maximize environmental conditions and long-term performance.
