TEAM 73

TEAM 73 is a Hong Kong based landscape design consultancy firm looking for responsible and self-motivated assistant landscape designer to join our award-winning team to deliver comprehensive, responsive and innovative landscape design solutions.

Assistant Landscape Designer

- Bachelor and/or Master Degree in Landscape Architecture.
- Fresh graduate to 2 years relevant post-graduation experience.
- Good command of spoken and written English and Cantonese.
- Putonghua fluency would be beneficial.
- Proficiency in AutoCAD, Photoshop and SketchUp is mandatory.
- Candidates from other disciplines with appropriate experience may be considered for Assistant Landscape Designer positions.

Potential candidates please apply directly for the position and submit a detailed CV, project experience and portfolio to design@team-73.com.

Submitted information will be treated in strict confidence and will only be used for assessing your application for the above posts. All information of unsuccessful candidates will be destroyed in 3 month's time.
